

STAR ROLE MODEL IN DIGITAL HEALTH TRANSFORMATION

Origin Integrated Studios Sdn Bhd (OIS) is a well-established software development company based in Malaysia that specializes in providing healthcare-focused technology solutions.

Founded in 2005, the company has built a strong track record of providing innovative and customized software solutions to healthcare providers in Malaysia and around Southeast Asia. With a team of experienced software developers and healthcare professionals working closely with clients, our mission is to empower healthcare providers and professionals with the solutions they needed to deliver exceptional care to their patients while enhancing operational efficiency and reducing costs.

Our core values of excellence, integrity, and customer satisfaction guide our work, and we are committed to providing customized solutions that meet the unique needs of each client. Our extensive range of services includes software development, system integration, data analytics, and project management, among others. With a deep understanding of the healthcare industry, we are well-positioned to serve healthcare providers of all sizes and specialties, and we are dedicated to driving innovation in the healthcare industry and improving patient care through technology.

There are 3 main products for Origin Integrated Studios which are, Origin HIS, Origin EMR and Origin MHA. Origin HIS is a comprehensive hospital information system that helps healthcare providers manage various aspects of hospital operations.

With Origin EMR, healthcare providers can securely store and manage patient health records, leading to improved patient care and fewer errors.

Origin MHA is a mobile application that helps healthcare providers keep track of daily and upcoming patient appointments, and makes important approval processes as well as access to patient medical records.

INTRODUCTION

“

It is a great honor and privilege to accept the Star Role Model Enterprise Awards on behalf of our company. This award is a validation of our team's hard work, dedication, and commitment to excellence, and I extend my heartfelt gratitude to all of them.

Our company has always been committed to leading by example and making a positive impact on the environment and society. This recognition reassures us that we are making progress towards our goal. As a socially responsible business, we believe that success goes beyond financial performance and includes our positive impact on the environment.

We are committed to providing our customers with top-quality products and services while also promoting paperless operations. We take our corporate responsibility seriously and believe that every business has a role to play in making the world a better place.

We are grateful to the judges for recognizing our contributions and vision, and we extend our appreciation to our customers, partners, and employees for their unwavering support.

We are honored to be a part of such a vibrant and inspiring business community. Thank you for this prestigious award.

”

Dr. Kenneth Kee
Chief Executive Officer
